

PEUGEOT 308

Prices, equipment
and technical specifications

Prices applicable from April 2024 E & OE

RANGE

ACTIVE

- Rear parking sensors
- Active lane departure warning system
- Dual-zone automatic air conditioning
- Hands-free ignition
- Central 10" touch screen
- Electric parking brake
- 16" 'Auckland' alloy wheels
- 17" 'Halong' diamond cut alloy wheels (PHEV)
- Wireless Mirror Screen
- Peugeot i-Cockpit® with 10" customisable digital display
- LED headlights
- Electrically folding and adjustable wing mirrors
- Automatic air conditioning

ALLURE

Equipment in addition to Active

- Rear parking sensors with HD reversing camera
- Active Safety Brake (Night function, cyclists & pedestrians (PHEV)
- Air Quality System
- Automatic main-beam headlight control
- 17" 'Halong' diamond cut alloy wheels
- Smart navigation with central 10" touch screen and screen with customisable virtual i-Toggles
- TEP/fabric tri-material upholstery
- Tinted side windows and rear window
- Smartphone charging plate
- Heated Front Seats **(Electric only)**
- Heated Steering Wheel **(Electric only)**
- 11.0 kW Tri-phase On board charger **(Electric only)**
- 18" 'Ottawa' diamond cut alloy wheels **(Electric only)**

GT

Equipment in addition to the Allure

- Front and rear parking sensors with HD reversing camera
- PEUGEOT i-Cockpit® with 10" 3D digital panel display **(Electric only)**
- Rear full LED 3D PEUGEOT new 'Claw effect' lights
- Driver Sport Pack
- Front bumper and side rocker flaring
- 18" diamond-finish alloy rims
- Peugeot i-Cockpit® with 10" 3D customisable digital display
- Tri-material fabric/TEP upholstery "New Belomka
- Bi-tone Roof rails (SW only)
- Wireless Smartphone charging plate

- WLTP data currently being approved. Minimum- maximum mixed WLTP CO₂ emissions on the engine The CO₂ emissions from the vehicle depend on the version selected as well as the options on the vehicle.
- **Dealer delivery related charges, metallic paint and tyre recycling levy not included.
- ***Includes SEAI grant and VRT rebate

(1) The CO₂ emissions entered are mixed and expressed in grams per kilometre. The fuel consumption and CO₂ emission values provided comply with WLTP approval (EU regulation 2017/948). Since 1 September 2018, new vehicles are approved on the basis of the worldwide harmonised light-duty vehicles test procedure (WLTP), which is a new, more realistic test procedure to measure fuel consumption and CO₂ emissions. This WLTP procedure fully replaces the New European Driving Cycle (NEDC), which was the previous test procedure. As the test conditions are more realistic, the fuel consumption and CO₂ emissions measured according to the WLTP procedure are, in many cases, higher than those measured according to the NEDC procedure. The fuel consumption and CO₂ emission values may vary depending on specific equipment, options and types of tyres. Contact your point-of-sale for more information. More information on www.peugeot.ie

STANDARD EQUIPMENT

SAFETY & SECURITY

- Adaptive driver and front passenger airbags (passenger airbag can be deactivated with a key), driver and front passenger lateral airbags, front and rear head curtain airbags
- Under-inflation detection
- ESP with Hill Assist function
- ISOFIX attachments in the 2 rear side seats (Top Tether)
- Electric parking brake
- Tyre repair kit: 12-volt compressor, bottle of sealant, tow ring, two-wheel chocks, electric parking brake crank
- Alarm

DRIVING AIDS

- Adaptive cruise control with Stop & Go function
- Active Safety Brake (pedestrians and cyclists)
- Active lane or roadside departure warning system
- Driver attention alert
- Traffic Sign Recognition
- Rear parking sensors

EXTERIOR AESTHETICS

- Glossy black strip between rear lights
- Body-colour exterior door handles
- Model designation badges front and rear
- Black Diamond' Door Mirrors
- Gloss black B Pillar
- Body coloured rear spoiler

STANDARD EQUIPMENT

COMFORT

- Central armrest with storage compartment
- Dual-zone automatic air conditioning
- Automatic lighting of dipped headlights and automatic front windscreen wipers
- Folding rear bench seat 2/3 - 1/3
- Two three-button remote controls
- Electrically power assisted steering, steering wheel with manual height and depth adjustment
- Driving mode selector: Eco and Sport
- One-touch electric front and rear windows with anti-pinch protection
- Acoustic laminated tinted windscreen
- Electric, heated, electrically folding wing mirrors with LED turn signals

MULTIMEDIA & NAVIGATION

- Two USB-C sockets in the front
- Central 10" touch screen
- Wireless Mirror Screen function (Apple Carplay™ / Android Auto™)
- 12V socket at the front

ACTIVE SPECIFICATION

Equipment in addition to standard equipment

LIGHTING AND VISIBILITY

- Peugeot LED headlights with LED daytime running lights underneath the headlights
- Automatic windscreen wipers with 'Magic wash'
- Rear full LED PEUGEOT signature 'Claw effect' lights

DRIVING AND MANOEUVRING AIDS

- Adaptive cruise control with Stop & Go function

RIMS AND WHEELS

- 16" AUCKLAND alloy rims

UPHOLSTERY AND SEATS

- "Renze" tri-material fabric upholstery with grey stitch detail
- Height-adjustable driver and passenger seats
- Backrest-adjustable driving seat

COMFORT

- Hands-free ignition
- Electrochromic rearview mirror with frame
- Split leather steering wheel
- Peugeot i-Cockpit® with 10" customisable digital instrument panel

MULTIMEDIA AND NAVIGATION

- Central 10" touch screen

ALLURE SPECIFICATION

Equipment in addition to the Active

LIGHTING AND VISIBILITY

- Automatic main-beam headlight control
- LED daytime running lights underneath headlights with the new Peugeot signature
- Extended Traffic Sign Recognition

DRIVING AND MANOEUVRING AIDS

- Adaptive cruise control with Stop & Go function
- Rear parking sensors with HD reversing camera

EXTERIOR AESTHETICS

- Black front grill with chrome-plated inserts and black air intakes
- Glossy black rear bumper skirt with chrome-plated décor
- Glossy black window sealing strips

RIMS AND WHEELS

- 17" HALONG diamond-finish alloy rims

UPHOLSTERY AND SEATS

- Fabric / TEP "Falgo" tri-material upholstery, Blue top-stitching

COMFORT

- PEUGEOT Open & Go (keyless entry and push button start)
- Tinted rear side windows and rear window
- Air Quality System
- Row 2 Console Air diffusers
- Ski hatch (R2)

ALLURE SPECIFICATION

Equipment in addition to the Active

MULTIMEDIA AND NAVIGATION

- Two USB-C sockets in the rear console
- Peugeot, I connected Advance navigation with central 10" touch screen and screen with customisable virtual i-Toggles. Natural Voice recognition.
- Wireless charging plate

308 ELECTRIC SPECIFICS

- 18" 'Ottawa' diamond cut alloy wheels
- Battery capacity 54kWh
- 11.0 kW Tri-phase On board charger
- Active Safety Brake (night function, cyclists & pedestrians)
- Peugeot e-Remote Control with pre-conditioning and deferred charging
- Heated Steering Wheel
- Heated Front Seats
- Driving mode selector Eco, Normal or Sport
- e308 electric monogram

Image for illustration purposes only

GT SPECIFICATION

Equipment in addition to the Allure

EXTERIOR AESTHETICS

- Peugeot Matrix LED headlights with automatic adjustment
- Rear full LED 3D PEUGEOT new 'Claw effect' lights
- Specific varnished black front grille with chrome-plated inserts and glossy black air intakes
- Lion side monograms
- Gloss black roof rails (SW only)

RIMS AND WHEELS

- 18" KAMAKURA diamond-finish alloy rims
- 18" 'Ottawa' diamond cut alloy wheels [\(Electric only\)](#)

INTERIOR AESTHETICS

- Black inner roof lining
- Aluminium front door sills
- Aluminium pedals

UPHOLSTERY AND SEATS

- Fabric / TEP / Alcantara® "Fraxx Knit" tri-material upholstery, Green top-stitching [\(Electric only\)](#)
- Tri-material fabric / TEP upholstery "New Belomka"

COMFORT

- Laminated front window
- Driver only lumbar support
- Driver Sport Pack: customisation of the instrument panel, amplified and sportier engine sound (can be deactivated)
- Peugeot i-Cockpit® 3D with customisable instrument panel
- Leather steering wheel [\(Electric only\)](#)

The addition of optional extras may result in the vehicle increasing in Co2 g/km and therefore, attracting a higher rate of VRT than described in this product guide. For your exact configuration value, both Co2 g/km and RRP, please contact your local dealer or visit www.peugeot.ie
Note: Some options may require other options depending on the item and trim line.

DETAIL OF EQUIPMENT

3D DIGITAL DISPLAY

Entirely configurable and customisable, the 3D digital display projects information on two levels. Depending on the importance of the information, it can be displayed dynamically, closer or further away from the driver's view. This improves the driver's response time by around half a second.

CUSTOMISABLE VIRTUAL I-TOGGLES

A second touch screen can be added to the central 10" touch screen so that you can create your own shortcuts. In this way, you can customise shortcuts for air conditioning, contacts, a radio station, an app, etc.

DETAIL OF EQUIPMENT

FOCAL® HI-FI PREMIUM SYSTEM

FOCAL® PREMIUM HI-FI SYSTEM

The FOCAL® Premium Hi-Fi System consists of 10 new-generation speakers, a new subwoofer and reinforced amplification. The 12-channel amplifier delivers 690W of power.

CLEAN CABIN

The Clean Cabin is a complete incoming air management system that acts in accordance with pollution inside and outside the vehicle. Thanks to its HE filter; it purifies the interior air in just a few minutes.

Through the central screen, the driver can access the interior air quality index calculated thanks to a particle sensor.

**Provisional WLTP data under homologation. Minimum - maximum combined WLTP CO₂ emissions on the engine. The vehicle's CO₂ emissions depend on the version chosen and the options fitted to the vehicle.

(1) The CO₂ emissions given are combined and expressed in grams per kilometer. The fuel consumption and CO₂ emission values indicated are in accordance with the WLTP homologation (EU Regulation 2017/948). Since 1 September 2018, new vehicles have been type-approved on the basis of the globally harmonised test procedure for light vehicles (WLTP), which is a new, more realistic test procedure for measuring fuel consumption and CO₂ emissions. This WLTP procedure completely replaces the New European Driving Cycle (NEDC), which was the test procedure used previously. As the test conditions are more realistic, the fuel consumption and CO₂ emissions measured according to the WLTP procedure are in many cases higher than those measured according to the NEDC procedure. Fuel consumption and CO₂ emission values may vary depending on specific equipment, options and tyre types. Be sure to contact your point of sale for more information. Since 1 September 2018, new vehicles have been type-approved on the basis of the globally harmonised test procedure for light vehicles (WLTP), which is a new, more realistic test procedure for measuring fuel consumption and CO2 emissions. This WLTP procedure completely replaces the New European Driving Cycle (NEDC), which was the test procedure used previously. As the test conditions are more realistic, the fuel consumption and CO2 emissions measured according to the WLTP procedure are in many cases higher than those measured according to the NEDC procedure. Fuel consumption and CO2 emission values may vary depending on specific equipment, options and tyre types. Be sure to contact your point of sale for more information.
