- WLTP data currently being approved. Minimum - maximum mixed WTLP CO2 emissions on the engine The CO2 emissions from the vehicle depend on the version selected as well as the options on the vehicle.
- **Dealer delivery related charges, metallic paint and tyre recycling levy not included.
- ***Includes SEAI grant and VRT rebate & Dealer delivery related charges, metallic paint and tyre recycling levy not included.

(1) The CO2 emissions entered are mixed and expressed in grams per kilometre. The fuel consumption and CO_2 emission values provided comply with WLTP approval (EU regulation 2017/948). Since 1 September 2018, new vehicles are approved on the basis of the worldwide harmonised light-duty vehicles test procedure (WLTP), which is a new, more realistic test procedure to measure fuel consumption and CO_2 emissions. This WLTP procedure fully replaces the New European Driving Cycle (NEDC), which was the previous test procedure. As the test conditions are more realistic, the fuel consumption and CO_2 emissions measured according to the WLTP procedure are, in many cases, higher than those measured according to the NEDC procedure. The fuel consumption and CO_2 emission values may vary depending on specific equipment, options and types of tyres. Contact your point-of-sale for more information. More information on www.peugeot.ie

STANDARD EQUIPMENT

SAFETY

6 Airbags
Auto-adaptive front, lateral front, front & rear curtains

Front (x2) and rear (x3) height adjustable headrests

ESP Dis-connectable with slope start aid and detection of indirect under-inflation

ISOFIX and Top Tether fasteners on rear side seats

Pneumatic troubleshooting Kit (Electric only)
12 V compressor with clogging cartridge

Spare Wheel Predisposition (without repair kit) (HYBRID)

3-claws LED rear lights

ADVANCED SAFETY

Safety Pack

Cruise Control / Speed Limiter
Automatic emergency braking with collision warning,
Active alert of unintentional crossing of line and aisle,
Extended traffic sign recognition and speed recommendations,
Driver attention alert

INTERIOR AESTHETICS

Black cabin and roof lining

IN CAR ENTERTAINMENT

Bluetooth Tepehone facility

DAB radio

Wireless Mirror Screen (Apple Car Play, Android Auto)

Steering Wheel Controls

STANDARD EQUIPMENT

ADVANCED SAFETY

Safety Pack

- Cruise Control / Speed Limiter
- Automatic emergency braking with collision warning,
- Active alert of unintentional crossing of line and aisle,
- Extended traffic sign recognition and speed recommendations,
- Driver attention alert

COMFORT

Automatic air conditioning with Pollen and Carbon activated filters

Electrical front and rear window lifters, sequential and anti-tapping

Visibility Pack

- Low beam automatic lighting
- Auto release windscreen wiper

Electric power steering with reach and rake adjustable steering column

- High centre console with 2 cup holders
- Map pockets on front seat backs
- Electric parking brake
- ‘One-touch’ electric front and rear windows with pinch protection

PEUGEOT i-Cockpit®:

- Compact steering wheel
- 10" colour touchscreen
- 3.5" Colour instrument display
- Pre-heating functionality (ELECTRIC versions)
- Push button start
- Rear parking sensors
- Tailgate with heated rear windscreen & wiper blade
- Vehicle-to-load preparation (V2L adaptor plug available as Accessory from PEUGEOT Retailer)

Images for illustration purposes only

STANDARD EQUIPMENT

UPHOLSTERY & SEATS

1/3 - 2/3 folding bench

Seating: driver and front passenger comfort seats

Driver’s seat with height adjustment

MULTIMEDIA & NAVIGATION

6 speakers, MP3 compatible

2 tweeters and 2 woofers on the front, 2 speakers on the back

RIMS & WHEELS

16" ‘Silom’ wheel trims

ELECTRICAL SPECIFICITIES

7kW monophase on-board charger and a Mode 3 Type 2 cable for wall box charging

Vehicle-to-load preparation (V2L adaptor plug available as Accessory from PEUGEOT Retailer)

EQUIPMENT DETAILS

Image for illustration purposes only

PEUGEOT i-Connect Advanced

PEUGEOT i-Connect Advanced(1) offers a complete technological experience with TomTom® connected navigation. For optimal readability, the card can be displayed on the entire 10-inch HD touchscreen and updated “live” (once a month). It is also fully and easily customizable with widgets, such as a tablet.
«OK PEUGEOT», a natural language speech recognition control, improves the safety and comfort of the user, and gives access to all the features. Finally, to help the user,
PEUGEOT i-Connect Advanced offers embedded documentation and tutorials.

(1) Available as an option or unavailable depending on the version.

V2L (Vehicle To Load)

The vehicle is pre-configured for the V2L (Vehicle-to-Load) function, which allows you to power electrical devices using the car’s traction battery—for example, to charge an electric bicycle or operate portable lighting.
The system can provide up to 3.5 kW and 16A.
The adapter required to power external equipment is available as an accessory.
